

Age Visibility

Of age discrimination cases were reported to have occurred in the **workplace** for people in their 50s and 60s

What is Age Visibility?

Age visibility at work means **appreciating** and **acknowledging** the strengths and contributions of employees of all ages, creating an **inclusive environment**.

Benefits of Age Visibility:

**Effective
Communication**

**Diverse
Perspectives**

**Mentorship
Opportunities**

**Talent attraction
and retention**
